### Pressure Chart

Working Pressure:	Number of Sprinklers:
Less Than 35 PSI	1 Sprinkler
35 - 75 PSI	2 Sprinklers
75 - 100 PSI	3 Sprinklers
100 - 125 PSI	4 Sprinklers
125+ PSI	Do Not Run

### Trouble Shooting

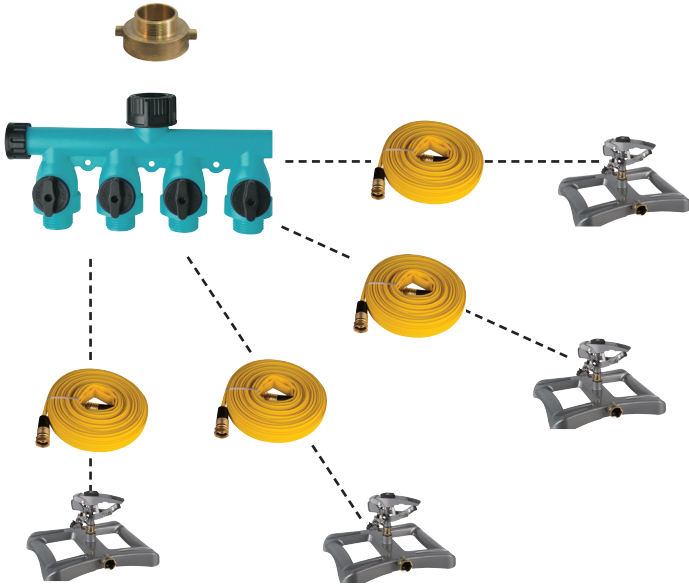

Not getting water from the sprinklers:

- 1** Check to make sure water is turned on
- 2** For low flow, make sure the number of sprinklers do not exceed the pressure chart
- 3** Make sure hoses are not kinked
- 4** Make sure screens on sprinklers are not plugged
